

# Don't forget to RE-MEMBER FCGW Membership Renewal - 2009

Do you know when your membership expires? Look at the top line of your address label on the *Quarterly* envelope. If your membership expires in 06-08, it is time to renew for next year. This is the last copy of the *Quarterly* that will be sent to you unless we receive your check for \$20.00 post-marked before 31 July 2008.

Due to increases in postal rates, we have found it necessary to assess a **\$5.00 late fee** for those members renewing after 31 July 2008. The cost of mailing the late *Quarterlies* by first class mail is high. This late assessment does not apply to new members.

Take advantage of our dues structure for multiple years: 2 years for \$37.50 or 3 years for \$55.00.
